Visit us at <https://www.incboston.org/> to learn more!

Boston Medical Center grants 9.5 nursing contact hours to nurses who complete this program. This program consists of attendance at the all-day conference, independent development and submission of a case study and attendance at a webinar. You must attend and complete all components of the program, and complete a program evaluation form.

This program has no commercial support and is jointly provided by Boston Medical Center and the Integrative Nursing Consortium. Faculty and planners have no vested interests, and there are no conflicts of interest. There will be no discussion of off label uses of drugs.

Boston Medical Center is an approved provider of continuing nursing education by American Nurses Association, Massachusetts, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
